

Tergo™

**Removes Pigment
Stains**

**General Surface
Cleaner**

**Cleans Inside of
Tank**

Tergo™ is a concentrated dual purpose cleaning agent. Apply direct to tough stains as a RTU, or dilute for maintenance of tank pigment / dyes / oils and general hard to remove stains. Ideal for most surfaces that come in contact with spray equipment. Tergo is great for spray tank cleaning / neutralizing / and sanitizing of residues and other materials left after spray applications..

FEATURES AND BENEFITS

- Remove pigment from spray equipment
- Cleans most outdoor surfaces stains
- Neutralize and sanitize spray tanks after pesticide or fertilizer applications
- Safe easy to use
- Safe on equipment and surfaces
- Not harmful to the environment
- Biodegradable

Application Instruction:

Use as RTU on tough stains. Dilute 50/50 with water on typical stains or general cleaning. When applied as an internal spray tank cleaner, use 2 qt. / 100 gallons water.
