

# Obsidian Black WSP Pond Dye

## The professional look for your ponds, lakes, decorative water features, or impounded bodies of water

TS Pro Obsidian Black WSP Pond Dye is a blended formulation of water soluble dyes packaged in convenient water soluble bags. TS Pro Obsidian Black WSP Pond Dye is designed for use in lakes, ponds, decorative water features and other impounded bodies of water with limited outflow. TS Pro Obsidian Black WSP Pond Dye beautifies murky, cloudy or off-color water with a pleasing natural reflective tint.

### BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

### MIXING INSTRUCTIONS

Remove bag from outer plastic bag with a dry, gloved hand. Toss the bags into the lake or pond, spacing evenly in the water area. The most effective applications will be where the bags are placed in deeper water, or next to aerators or turbulent areas. Bags will begin to dissolve in three to five minutes (somewhat longer in colder waters), releasing TS Pro Obsidian Black WSP Pond Dye.

- Dispersion of the color will depend on the movement of the water, but should occur within hours after treatment.
- Once color has been allowed to disperse

### RECOMMENDED APPLICATION RATES

Determine the number of acre feet in the lake or pond. Surface area in acres [length (ft) X width (ft) / 43,560] times the average depth (ft) = Acre Feet. An acre foot is the area covering one surface acre, 12 inches deep. Apply one (1) bag per acre foot or 1,234 cubic meters of water. For metric conversion to cubic meters, multiply acre feet by 1,234.

### CAUTION: HEALTH HAZARD INFORMATION

Always mix in well ventilated areas. The concentrated form of this material may release ammonia vapors that could produce irritation upon contact with eyes or respiratory passages. Repeated skin contact may produce skin rashes or irritation. Wash hands thoroughly with soap and water after using, and in case of contact with eyes, flush eyes for 15 minutes with water. Seek medical attention if irritation persists. If ingestion

occurs, consult physician. Do not apply contents to food stuffs or animal feeds. Be aware that clothing and shoes may be permanently stained from this product.

### DIRECTIONS FOR WATER USE AND RESTRICTIONS

Water may be used for irrigation or fishing immediately following treatment. Allow several hours for TS Pro Obsidian Black WSP Pond Dye to disperse before swimming. Do not apply TS Pro Obsidian Black WSP Pond Dye to water used for human consumption. The diluted color in treated water will not stain exposed surfaces. The diluted color in treated water will not harm fish, waterfowl, pets or wildlife. Chlorinated water will cause color fading, requiring higher dosages or more frequent treatments.

### STORAGE AND HANDLING

Store in original containers inaccessible to children. Triple rinse (or equivalent) container after use and disposal must be in accordance with all federal, state and local regulations.

### LIMITED WARRANTY AND DISCLAIMER

RESIDEX LLC warrants that this material conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions and under normal conditions of use. Neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions not reasonably foreseeable to RESIDEX LLC. In no event shall RESIDEX LLC liability for any breach of warranty exceed the purchase price of the material as to which claim is made. RESIDEX LLC shall be held harmless and indemnified by the purchaser.

### KEEP OUT OF REACH OF CHILDREN

According to Regulation 2012 OSHA Hazard Communication Standard; 29 CFR Part 1910.1200 the product does not require a hazard warning label in accordance with GHS criteria.

### FIRST AID

**In Eyes** Immediately wash eyes with large amounts of water for at least 15 minutes, lifting the lower and upper lids. Seek medical attention immediately.

**On Skin** Remove contaminated clothing and shoes. Wash exposed skin with soap and water. If irritation develops, consult a physician.

**If Swallowed** If a person is conscious, immediately give large quantities of water and induce vomiting. Do not induce vomiting or give any fluids by mouth to an unconscious person. Seek medical attention immediately.

**If Inhaled** Move person to fresh air and check to ensure adequate respiration. Seek medical attention.

### HANDLING AND TRANSPORTATION

- Handling - CAUTION: Do not handle water soluble bags with wet hands, wet gloves, or place on wet surfaces.
- Transportation - TS Pro Obsidian Black WSP Pond Dye is classified as a non-hazardous chemical. Not regulated by the U.S. Department of Transportation.

### STORAGE AND DISPOSAL

**Storage - CAUTION** Keep from Freezing. Freezing may cause water soluble bags to become brittle. Store in original container only and keep sealed. Store in secured storage areas. Use caution when moving, opening and dispensing.

**Product Disposal** Wastes resulting from use of this product should be disposed of through on-site application or at an approved waste disposal facility.

**Container Disposal** Offer for recycling or reconditioning, dispose of in a sanitary landfill or follow other procedures approved by federal, state and local authorities. Re-use of this container is not recommended.

### GENERAL USE PRECAUTIONS

- Always consult the Material Safety Data Sheet for specific instructions.
- TS Pro Obsidian Black WSP Pond Dye is a blend of dyes. The concentrated powder will stain skin, clothing, and equipment.
- The information contained herein is provided for the purpose of disclosing product application and does not constitute product specifications regarding which, if any, warranties are expressed or implied.

**CONDITIONS OF SALE** Read the information contained herein before buying or using this product. If the stated terms are unacceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. RESIDEX LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond RESIDEX LLC's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the Company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product shall be the purchase price paid by the user or buyer for the product involved.
